Dear Sponsors and Exhibitors,

My name is Aaron Sawyers, and I am the Director of No-till on the Plains. I am excited to announce the 31st Annual No-Till on the Plains Winter Conference, January 19-20, 2027, in Wichita, KS, at The Wichita Marriott. Keynote speakers include Graeme Sait and Ademir Calegari.

The Winter Conference is attended both nationally, as well as internationally. The Marriott accommodates roughly 400 guests for the Conference sessions. The entire Conference is under one roof, allowing for personal contact, networking, and a unique atmosphere between all attendees.

Sponsor spaces are located just outside of the break-out meeting rooms and the dining room area. This is a unique opportunity for businesses and organizations to interact with participants and to reach them with information about the services they provide and their connection to soil health. The Sponsor submission form is located at: www.notill.org Booth locations are first-come, first-serve and your space is not secured until payment is received. To pick where you would like to be located, list multiple numbers on the form and I will contact you to finalize your booth location. ***** You have first right to the book same booth area you had last year, the numbers may have changed, but areas are the same.**

*** Payment can be made via check or ACH, Payable to No-till on the Plains, 672 Avenue L, Protection, KS 67127.

There are several hotels in the surrounding area to accommodate extra attendees and sponsors. If you would like accommodations at the Marriott, we suggest booking lodging accommodations in advance—the room block expires early.

If you have questions, or need assistance, please contact me at director@notill.org or at (785) 210-4549. I look forward to learning with you January 19-20, 2027, in Wichita, Kansas. Supporters like you help make better stewardship and rejuvenation of our soil resources possible. The information is also posted under the Winter Conference tab at notill.org
It is optional to exhibit at AIM on Thursday, the 21st, so please make sure to select that option if you plan on attending the workshop.
